

Did you know...

The Government gives this practice just £107.57 a year for each patient, whatever their health needs. That's less than the cost of a TV licence.

This means we're only given 30p a day for every patient registered with us – less than the cost of an apple.

GPs want the same things that you do.

We believe nobody should struggle to see their family doctor.

We believe general practice deserves a **bigger slice** of NHS funding so we can train and hire more GPs, deliver the services you require and make it easier to get appointments to see your GP and practice team.

We know you deserve better than this. GPs Are On Your Side.
