Household Emergency Plan

Families and households can better cope with emergencies by preparing in advance and working together as a team. This leaflet covers the basic steps to being prepared for emergencies:

- **Have a Plan**
- **Have a Grab Bag**
- **Stay Informed**

Have a Plan

Make a plan with all members of your household and review annually.

Getting prepared - Checklist

- Know where and how to safely turn off utilities:
 - Electricity
 - Water
 - Gas
- Set up your Grab Bag (see below)
- Ensure you have valid building and contents insurance.
- Fit smoke and carbon monoxide detectors, and test regularly.
- Prepare escape routes from your house and teach all householders.
- Microchip your pets and consider their needs in an emergency.
- Find out if your local community has Community Emergency Hub or a Community Emergency Plan.

Have an Emergency Grab Bag

Know where your 'grab bag' essentials are to save time in an emergency.

Grab Bag - Checklist

- Wind up or battery radio (with spare batteries)
- Torch with spare batteries
- Copy of key Emergency Contacts
- Copies of important documents
- Medication, repeat prescriptions, tissues, toiletries, sanitary supplies
- Mobile phone charging cable and power bank
- Spare warm clothing, sleeping bags or blankets, books and games
- Snacks and bottled water
- Small amount of cash
- Food & equipment for babies, children and pets (if applicable)

Stay Informed

In major emergency situations it may be necessary to issue warnings and advice to the public. These would normally be broadcast via local radio or TV channels. You can also sign up in advance to receive relevant information.

- Tune into local radio (BBC Radio Cumbria 95 - 105 FM)
- Check relevant media accounts (see below)
- Register with the Priority Service Register for your utilities (water, gas and electricity) if you require extra assistance in an emergency thepsr.co.uk
- Sign up for:**
